

# Material Safety Data Sheet

## IDENTIFICATION

Product name	: <b>Coco plus</b>
Other names	: N/A
UN number	: N/A
Dangerous goods class	: N/A
Subsidiary risk	: N/A
Hazchem code	: N/A
Poisons schedule	: N/A
Use	: Horticultural purposes

## Physical description / Properties

Appearance	: Brown natural organic
Odor	: Odorless
Boiling point	: Not applicable
Melting point	: Not applicable
Vapor pressure	: Not applicable
Specific gravity	: Not available
Flash point	: Not applicable
Flammability limits	: Not flammable
Bulk density	: varies according to composition and moisture content.
Solubility	: Not soluble
Molecular weight	: Not applicable
Ph	: 5.8 - 6.9
Ingredients	: coir-fiber pith and coir-fibers

## HEALTH HAZARD INFORMATION

### Chronic and acute health effects

Swallowed	: Unlikely under normal conditions. No known hazard.
Eye	: Dust particles may cause minor eye irritation.
Skin	: No known hazard. (Applies to untreated Coco-peat)
Inhaled	: May cause slight irritation with very high concentrations.

### First Aid

Swallowed	: Give water to drink. Seek medical attention if any abdominal symptoms develop.
Eye	: Irrigate immediately with plenty of water and if irritation persists seek medical attention.
Skin	: Wash skin with soap and water. If skin irritation appears seek medical attention.
Inhaled	: Remove from exposure and if irritation persists seek Medical attention.
Advice to doctor	: Treat symptomatically.

### Precautions for use

Exposure limits	: There are no exposure limits available for this product. General dust recommended exposure standard is less than 10mg/m <sup>3</sup> .
Engineering controls	: Use in open or well ventilated areas and minimize exposure to dust.
Personal protection	: wear necessary suitable protective equipment: standard duty gloves and safety glasses with side shields should be worn if there is a risk of dust and / or mist getting into the eyes. Protective clothing and safety shoes are not necessary for Cocopeat. Safety dust mask should be worn if exposed to product dust.
